Dear Ms. Dolph,

Thank you for your voice mail Tuesday afternoon after you met with Mr. Lubetsky. It was great to confirm that responsive e-documents have started to come in from high-priority custodians for request 003020. I understand that document review is expected to begin by next week, and that additional custodians will be searched. I'll call you next week for an update on the doc review and search process.

Best regards,  
Ben
